

COMPTROLLER OF THE CURRENCY
WASHINGTON

April 16, 1921.

My dear Orlando:

I have your letter, copy of the letter written by the President and of your letter to the President, and I have noted the contents.

I shall be pleased to join with the boys in doing my part towards making up the \$500; if you will let me know what that is to be I will send you a check.

Things are going along here rather strenuously and I am extremely busy - in fact too busy to be very sociable.

With kind regards,

Sincerely yours,

Mr. O. S. Rapp,
Marion, Ohio.
